HOW IT WORKS

01

DISCOVERY

We discuss your space, needs, style and project goals.

02

DESIGN DEVELOPMENT

Layouts, materials, finishes and design details are developed and refined.

03

FINAL DESIGN

Your completed design is presented with the selections and documentation needed to move forward.

READY TO START YOUR PROJECT?

Tell me about your project and the level of design support you're looking for. I'll review your information and reach out with the next steps.
